My Oxford Semester experience was truly one of the greatest things to happen to me. I never planned to study abroad. Everything simply fell into place and with the encouragement from my family I applied to this prestigious program. While at Oxford I grew in every way imaginable, and I came home as a more confident, stronger, and independent thinker. I met the most incredible people, and experienced things that I never thought I would have the opportunity to experience. 

—Jordan Burkhardt, Oxford Semester Experience

FULFILL CORE REQUIREMENT

Students participating in our semester abroad programs will automatically fulfill the Mason Global Understanding core requirement.
