CUSTOMIZED PROGRAMS

The Global Education Office (GEO) organizes a wide range of international study, service, and leadership opportunities for the Mason community. Study abroad activities include international programs for undergraduates, graduates, and professionals seeking knowledge and skills necessary to succeed in a culturally diverse society.

BENEFITS

Study Abroad is a great resume-builder. It sets you apart from the regular crowd of job seekers, who have not participated in an international experience. You can enhance your Mason experience and benefit from studying abroad in various ways:

- Gain proficiency in a foreign language
- Adapt to new situations and apply them to “old” habits
- Develop an understanding for different cultures
- Learn how to manage ambiguity
- Grow personally, professionally, and academically

MASON SCHOLARSHIPS

The Jacquemin Family Foundation Education Abroad Scholarship

This scholarship seeks to have students tie their global experience to their long-term career/academic goals in the application. Each year, student recipients must present to the Jacquemin family on their experience. $20,000 per year, given in $1,000 awards (10 per cycle, 20 per year).

Diversifying Study Abroad Travel Scholarship

This scholarship seeks to eliminate financial barriers students encounter and to increase diversity in participation of study abroad. Students typically receive between $400 and $1,300 depending on the location of their program.

Global Perspectives Scholarship

Open to Mason students participating in a summer or winter program. Scholarship awards range from $250-$750

Monroe “Chip” Whitton Scholarship

This scholarship is available to UNDERGRADS only for a summer program in the UK or Ireland with Scotland receiving highest priority. $800 to one student per year.

THE MASON ABROAD EXPERIENCE

Experience George Mason University in an international setting and share your classroom with fellow peers from Mason. A wide range of customized programs led by Mason faculty are offered during winter break, summer, and the semester. Most programs are open to everyone.

THE SCHOLARSHIP APPLICATION PROCESS

- Login at MasonAbroad.gmu.edu and begin your application
- Complete all components of the application and statement/essays
- Selection committee selects recipients
- Recipients are notified of awards before finals
- Checks are available for pick-up around final exams preceding program term (works as a reimbursement)

**ROADMAP**

1. **FIND YOUR PROGRAM**
   Think about your goals for studying abroad, your coursework, and how much time you can be away from campus.

2. **MEET WITH A PEER ADVISOR**
   They have participated in study abroad programs and can provide a first-hand account on how to plan your experience.

3. **MEET YOUR ACADEMIC ADVISOR**
   Discuss how study abroad will fit into your class schedule.

4. **FINANCIAL AID AND SCHOLARSHIPS**
   Seeking financial aid? Schedule a meeting with your Financial Aid Counselor to help determine your eligibility. Also, there are a number of scholarships resources at your disposal. Research carefully and early to secure appropriate funding.

5. **CREATE A PROFILE ONLINE**
   Your application will be processed at masonabroad.gmu.edu and you can reach out to your GEO Program Officer at any time.

6. **MEET YOUR PROGRAM OFFICER**
   Schedule an appointment with a GEO Program Officer. They are here to guide you through the application process and can clarify any questions you may have.

7. **WORK ON YOUR APPLICATION**
   Finish your application by submitting required documents.

8. **AFTER ACCEPTANCE**
   Complete Mason’s pre-departure orientation. Some modules will be available online.

9. **GO ABROAD**
   Enjoy a fantastic experience!
