Application Instructions

Thank you for starting your MasonAbroad Application!

In order for your application to be considered complete and for you to be accepted into the program you must submit all required items*, including an application fee. If you meet the eligibility requirements, you will be accepted as a participant when all required items are completed. There are a maximum number of spaces available for each program. Participants are accepted on a first-come, first-served basis.

*Exception: The Intent to Use Financial Aid Form must be submitted by the deposit deadline. Your application will be considered complete without this form.

If you do not have a Mason GPA available (i.e. are a first-semester freshman or transfer student) you will be asked to complete an Academic Progress report to verify your academic standing. This will need to be completed around mid-terms.

Application Deadline: [REDACTED]. All pre-decision items must be completed by this date to be considered for acceptance. You will receive notification of your acceptance decision electronically; your Program Officer will change your status to *Accepted*. At this time you will be asked to confirm your intent to participate by clicking the "Commit" button. Once you commit, your status will change to *Committed, Pending Items*. Additional items must be completed before you go abroad.

The payment of your deposit confirms your space as a participant in the program. If you plan to use Financial Aid to fund your study abroad program you must meet with your Financial Aid Counselor and notify your Program Officer. Additional paperwork is required.

Note: hard-copy materials and some payments do not check-off automatically in the system. Please allow up to a week for processing.

If you have any questions please contact your Program Officer.
